YOUR INFORMATION, "STANDARD" CREDIT REFERENCE AND FRAUD PREVENTION AGENCIES CLAUSES

Number	Clause
M1/1.0	We may make searches about you at credit reference agencies who will supply us with credit information, as well as information from the electoral register. The agencies will record details of the search whether or not this application proceeds. We may use credit – scoring methods to assess this application and to verify your identity. Credit searches and other information which is provided to us and/or the credit reference agencies, about you and those with whom you are linked financially may be used by M Markovitz Ltd and other companies if credit decisions are made about you, or other members of your household. This information may also be used for debt tracing and the prevention of money laundering as well as the management of your account.
M2/1.0	By stating a financial association with another party, you are also declaring that you are entitled to: 1. Disclose information about your joint application and/or anyone else referred to by you. 2. Authorise us to search, link and/or record information at credit reference agencies about you and/or anyone else referred to by you.
M3/3.0	Information held about you by the credit reference agencies may already be linked to records relating to one or more of your partners. For the purposes of this application you may be treated as financially linked and your application will be assessed with reference to any 'associated' records.
M4/4.0	We may give details of your account and how you manage it to credit reference agencies. If you do not pay in full and on time, we may tell credit reference agencies who will record the outstanding debt.
M5/5.0	An 'association' between the joint applicants and/or any individual identified as your financial partner, will be created at credit reference agencies, which will link your financial records. You and anyone else with whom you have a financial link understand that each other's information will be taken into account in all future applications by either/or both of you. This linking will continue until one of you successfully files a 'disassociation' at the credit reference agencies.
M6/6.0	When we open your account, we will determine your credit limit and confirm what limit has been set. Your credit limit will be based on your current financial circumstances, information we receive from credit reference agencies and any other information we think is relevant. We reserve the right to review and amend your credit limit at any time.
M7/7.0	Keeping you informed: You have the right of access to your personal records held by credit and fraud agencies. We will supply their names and addresses upon request.
